Judge's Clinic

Presented by Paul Jensen, TDAA Director
Held in conjunction with the
ADOS June 11-13 Agility Trial

- Become a TDAA Judge
- Re-Certification

Limited to 10 participants

Thursday 1:00 to 7:00 PM

Schenectady Dog Training Club

Fri-Sat-Sun 8:30 am until end of trial re-cap.

823 Gower Road, Sch'dy, NY

\$145 for clinic only (no trial entries)

\$225 package price (includes judging clinic and entry in all eleven runs for one dog*)

** A package price is being offered to keep our usually cheerful Trial Secretary from getting cranky with last minute changes. However, please note that TDAA rules don't allow judges to run their dogs on courses they design. So, while the package price includes entry into all runs, it is likely that you will actually run 10 unless you can find someone else to run your dog for the course you design in the clinic. This is our very first TDAA trial, so, to avoid delays, we won't be holding things up to switch judges.*

To keep costs low, avoid pizza\sub fatigue and give the culinary experts among us a chance to show off their skills, we'll be looking for volunteers to bring some quick and easy pot luck dishes. Culinarily challenged are invited to bring fruit, snacks, beverages, etc.. We've had fun with this in the past. Once registrations have closed, we'll be in touch about the pot luck!
